- Are there any specific features or functionalities you would like to have on your website? (e.g., contacts, articles, etc.)
- Do you require any interactive elements on the website?

6. Timeline and Budget:

- What is your preferred timeline for completing the website?
- Do you have a budget in mind for this project?

7. Additional Comments:

- Is there anything else you would like to add or clarify about your website project?

Profile 1:

Brenda Coppola is a 19 year old digital design enthusiast with a passion for creativity and a keen eye for aesthetics.

In Coppola's world, digital design is not just a course of study, it's a way of life. She's inspired by the ever-changing design landscape and aspires to be at the forefront of innovation in the field. Whether she's working on, digital art, video editing or animation, Brenda Coppola is a young artist with a promising future in the world of digital design, where his creative vision knows no bounds.

Interests:

1. Technical Accuracy: appreciates attention to detail and precision in design, much like the precision required in the automotive industry.
2. Appreciates the power of visual communication and believes that a well-designed website can enhance the digital designer's outreach efforts. Understands that a web designer's work can effectively convey the impact of Brenda Coppola.

Goals:

- Communicate Brenda's vision, and her past artworks clearly.
 - Engage viewers through her compelling visuals and graphics.
 - Navigate smoothly and access relevant information about the graphic designer's services and portfolio.
 - Engage viewers and potential collaborators.
-

1. Personal Information:

- Full Name: Daniel Cauchi
- School/University Name: MCAST
- Major/Field of Study: Photography/Videography

2. Purpose and Goals:

- What is the main purpose of creating this graphic website?
- What do you hope to achieve with this website?
- Are there any specific goals or objectives you have in mind for the website?

3. How much do you value designs that are straightforward, easy to understand, and simple to navigate?

- Highly Valued
- Valued
- Moderately Valued
- Not Valued

4. Content:

- Do you have written content ready for the website, or would you like assistance with content creation?

5. Functionality:

- Are there any specific features or functionalities you would like to have on your website? (e.g., contacts, articles, etc.)
- Do you require any interactive elements on the website?

6. Timeline and Budget:

- What is your preferred timeline for completing the website?
- Do you have a budget in mind for this project?

7. Additional Comments:

- Is there anything else you would like to add or clarify about your website project?

Profile 2:

Freelance Photographer/Videographer:

Daniel Cauchi, is a passionate photographer and videographer dedicated to capturing moments that tell stories and evoke emotions. With a keen eye for composition, lighting, and detail. Documents weddings, night clubs, parties, captures natures beauty and his appreciation for cars.

Interests:

1. Brand Representation: He seeks designs that reflect the high-quality, distinguished quality of his capability of capturing images.
2. Elegance and Sophistication: values design that exude elegance and sophistication, aligning with the art of photography.
3. The photographer appreciates clean, minimalist aesthetics and uncluttered layout.

Goals:

Include a selection of your best photographs and video clips showcasing your range and style. Highlight diverse projects and subjects to demonstrate your versatility and skill. Showcasing expertise in post-processing and editing techniques to enhance images while maintaining authenticity.

Visitors primarily want to see samples of the photographer's photographs. They are interested in exploring the website to get a sense of the photographer's style, skill level, and the types of projects he has worked on.

Personal Information:

- Full Name: Mike Debono
- School/University Name: MCAST
- Major/Field of Study: Art and Design

1. What is the primary purpose of your website?

- a) Showcase student artworks and designs
- b) Provide information about art and design programs
- c) Sell student artwork online
- d) Promote art and design events and exhibitions

2. What type of artworks will be featured on the website?

- a) Paintings and drawings
- b) Sculptures and installations
- c) Digital art and graphic design
- d) All of the above

3. How would you describe the style of the artworks?

- a) Traditional
- b) Expressionism
- c) Abstract

4. What features would you like to include on the website?

- a) Image galleries for showcasing artworks
- b) Artist profiles for each student
- c) Blog or news section for updates and announcements
- d) Online store for selling artworks

Profile 3:

Dedicated art and design student with a keen eye for detail and a love for creativity, he constantly seeks inspiration from various sources, translating ideas into stunning visual expressions. Mike explores a variety of mediums and techniques, ranging from traditional painting to drawing digitally.

Interest:

- Ensure artistic vision and past artworks are communicated clearly.
- Captivate viewers with Brenda's compelling visuals and graphics.

- Navigate seamlessly to access relevant information about Brenda's graphic design services and portfolio.
- Foster engagement with viewers and potential collaborators.

Goals:

Sharing their artistic process and behind-the-scenes insights with viewers is a key aspect of engaging with an audience. By documenting their creative journey, artists like Brenda offer a glimpse into the evolution of their work, from initial concept to finished piece. This transparency allows viewers to appreciate the thought and effort that goes into each creation.

Bugibba Tourist Postcard

This was my first attempt at designing this postcard on 'Photoshop'. I started by finding a vintage card texture online. Then i went around Bugibba taking pictures to implement in the design. Then i foun.....

Punk Poster

Rebellious work of art, where raw energy meets bold visuals. Characterized by its chaotic typography, vivid color palette, and striking imagery, a punk poster encapsulates the essence of the punk subculture. It's a cacophony of distortion and dissonance, perfectly mirroring the anti-establishment and DIY ethos of punk rock.

The boy is the main attraction in this drawing, along with various eyes surrounding him. The eyes represent individuals staring at him, judging him, bringing him down, ending up not believing in himself like he used to.
